Re: Rock Island Arsenal
IL5 210 021 833

Dear Colonel Cowings:

The United States Environmental Protection Agency (U.S. EPA) has reviewed the documentation of corrective action taken by the referenced facility on December 23, 1987. The documentation adequately resolves the Illinois Administrative Code (IAC) Part 720 et seq., violations identified in U.S. EPA's November 25, 1987, Notice of Violation letter.

Your cooperation and efforts in this matter are greatly appreciated, please feel free to contact Ms. Barbara Russell of my staff at (312) 353-7922, if you have any further questions.

Sincerely yours,
